## INTRODUCTION

Ce catalogue a pour but d'améliorer la productivité au niveau de la recherche de pièces. Les pièces sont associées : étrier gauche, étrier droit, les plaquettes, les témoins d'usure, les disques de frein et éventuellement les flasques de frein de parking sur la même ligne.

On peut également rechercher les plaquettes de frein par la largeur et la hauteur ; les étriers par le type, le nombre de piston et le diamètre.

On peut bien entendu faire une recherche par modèle de véhicule et également par la référence d'origine du constructeur.

Ce nouveau catalogue intègre les illustrations des mâchoires de frein de parking et une traduction en 4 langues (Anglais, Allemand, Italien et Espagnol).

This catalog is designed to improve productivity in research of spare parts. Parts are linked: left caliper, right caliper, brake pads, wears indicators, brake discs and eventually the parking brake on the same line.

Pads search can also be done through width and height; caliper by type, number and diameter of the piston.

Of course, search can be proceeded by car model and also by OEM part number.

This new catalogue includes parking brake shoes drawings and a translation in 4 languages (English, German, Italian and Spanish).

# CLASSIFICATION ETRIER DE FREIN BRAKE CALIPER CLASSIFICATION

PFC

Pince ou étrier flottant avec commande de frein de parking; à l'arrière du véhicule; La plupart des véhicules récents sont équipées avec ce système.

Floating brake caliper with parking brake control in the rear of the vehicle; used in most recent LCV.

PF

Pince ou étrier flottant; principalement à l'avant du véhicule; à l'arrière le disque reçoit un système de frein à main à l'intérieur, D.I.H. Drum in hat : tambour dans le chapeau.

Floating brake caliper, used mainly in front of the vehicle, rear brake disc system is equipped with a parking brake inside, D.I.H. Drum in hat.

P

Pince ou étrier fixe; principalement à l'avant du véhicule sur les anciens véhicules; à l'arrière les véhicules sont équipés de frein à tambours.

Fixed brake caliper; used mainly in the front of older models, the vehicles are equipped with rear brake drums.

PC

Pince ou étrier fixe avec commande de frein de parking; à l'arrière du véhicule; Montage rarissime: dans le catalogue vous le trouverez pour l'équipement d'un Mercedes Unimog.

Fixed brake caliper with parking brake control in the rear of the vehicle; mounting rarely used. In the catalog you will find this equipment on a Mercedes Unimog.
